RESOLUTION NO. 78, SERIES OF 2018

“RESOLUTION REQUESTING PANGASINAN STATE UNIVERSITY TO OPEN AGRICULTURE COURSE/CURRICULUM FOR THE MUNICIPALITY OF BAYAMBANG.”

Sponsored by: SBM Philip R. Dumalanta

WHEREAS, it is the policy of the State to give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development;

WHEREAS, it is the policy of the State to promote comprehensive rural development and agrarian reform;

WHEREAS, the role of the agriculture sector in the overall economic development strategy is sometimes overlooked in favor of manufacturing and services. More so is the importance of education and human resources development in the agriculture sector itself. Agriculture and related courses, which are the flagship programs of the country's state universities and colleges, have become less popular among the youth through the years;

WHEREAS, the proposal to have agriculture courses/subjects in Pangasinan State University is a timely initiative for the betterment of our nation. Agricultural education would prepare students for employment in the agricultural sector, especially so that Pangasinan has the biggest land area in Ilocos Region and shares the highest number of farms among the provinces in Ilocos Region. This would involve training of people to teach or conduct research in order to advance the fields of agriculture and food science not only in the municipality of Bayambang but also in the whole Philippines;

NOW, THEREFORE, on motion of **SB Member Philip R. Dumalanta**, duly seconded, it was;

RESOLVED AS IT IS HEREBY RESOLVED, to request Pangasinan State University to open Agriculture Course/Curriculum for the municipality of Bayambang;

RESOLVED FURTHER, that copies of this resolution be forwarded to the Office of the Municipal Mayor, Honorable Cezar T. Quiambao, Pangasinan State University, and all concerned agencies for their information and appropriate action.

CARRIED this 5th day of March 2018.

Certified to be duly adopted and approved:
